Please place these comments in the DMS docket FAA-1999-6622,  
entitled "General Rulemaking Procedures."

It is a pleasure to see the latest plain-language techniques in action. As the plain-language contact for regulations in the Coast Guard, I can fully appreciate the work you have done in making this information accessible and readable. I like your use of the question-answer format. In the Coast Guard, we have found that even lengthy, highly technical regulations benefit from this format. On behalf of your readers, keep up the good work.
